Non-Action Item:

Mr. Travis Morehart presented the 2020 audit. There were no findings or questions caused.

New Business:

Mr. Wyche announced the consideration of a driveway permit request submitted by Mr. Daniel Wolff at 159 Voss Rd.

Mr. Goodwin presented on behalf of Mr. Wolff. It is a proposed driveway along the border of their property for access. The parish and the MPC recommended to have the access off of Voss Rd. There is already a permanent driveway accessing Mr. Wolff's property that is part of Cypress Shores Subdivision Unit 3.

It does enter into the flowage easement. The natural drainage will not be harmed. They are not adding any fill and are not taking any volume.

Motion was made by Mr. Bigby, seconded by Mrs. Long to table this agenda item until Patrick Jackson can get back with us regarding other options for location of the driveway.
